Question

A cycle of lunar phases _____ about twenty-nine days.

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. are taking
- B. have taken
- C. take
- D. takes

Correct Answer: D

Rationale

Choice D is the best answer. The convention being tested is subject-verb agreement.

The singular verb takes agrees in number with the singular subject a cycle of lunar phases.

Choice A is incorrect because the plural verb are taking doesn't agree in number with the singular subject a cycle of lunar phases. Choice B is incorrect because the plural verb have taken doesn't agree in number with the singular subject a cycle of lunar phases.

Choice C is incorrect because the plural verb take doesn't agree in number with the singular subject.
